THE ROYAL SOCIETY OF EDINBURGH having refolved on an annual publication of their Tranfactions, it has become necessary to make fome changes in the arrangement of the volumes. The Papers, whether Phyfical or Literary, are now introduced promifcuoufly, without being diftinguished, as before, by those separate titles; and the division into PART I, PART II, &c. is to be underftood as referring only to the order of time, according to which the different collection of Papers, that are to enter into the fame volume, fhall happen to be published. At the end of the last Part of each volume will be given the Hiftory of the Society, including, as usual, the Biographical Accounts, the Lift of Members, and fuch details concerning the proceedings of the Society as it may be thought proper to lay before the Public.

Edinburgh, }

 $**_*$ The General Title will be given along with the laft Part of the Volume.
