## British Society of Animal Science Association of Veterinary Teaching and Research Work

The British Society of Animal Science aims to provide the opportunity for those with an interest in animals and animal science to exchange views, ideas and information. It is an energetic and active society with about 900 members from over 50 countries throughout the world. Today, as ever, the Society is the natural meeting point for all of those with an interest in animal science. Its membership is drawn from research, education, advisory work, commerce and practical animal keeping.

The Society's Journal is *Animal* which publishes high quality fundamental and applied research and is an exciting international journal of animal bioscience. Animal publishes cutting edge research, hot topics and horizon-scanning reviews on animal-related aspects of the life sciences.

The Society organises major scientific and specialist conferences on key issues facing the science related to animals.
