The Cambridge Learner Corpus

The **Cambridge Learner Corpus**, part of the **Cambridge International Corpus**, has been developed by Cambridge University Press with Cambridge ESOL. It is a collection of over 30 million words taken from real exam papers written by students taking Cambridge ESOL exams worldwide.

Uniquely, the mistakes in the student exam scripts contained in the **Cambridge Learner Corpus** are marked up with a special system of error coding which means that we can see which words, grammar patterns, or structures cause the most problems and produce the most errors in learner English. The error coding system shows us, for example, typical mistakes made by students at any particular exam level. This information helps to inform our dictionaries and course books. The books in the *Common Mistakes* series are based on the **Cambridge Learner Corpus** and highlight common mistakes made by real students; each unit focuses on a key problem area.

Official Examination Papers from Cambridge ESOL

NEW

Cambridge Young Learners English Tests

Second edition

BEGINNER TO ELEMENTARY

For the updated 2007 test

These practice tests from Cambridge ESOL are designed to evaluate the English level of primary learners aged 7–12. They provide the first step towards the Cambridge ESOL main suite exams (e.g. KET, PET and FCE). There are five sets of tests for each of the three levels: Cambridge Starters, Cambridge Movers and Cambridge Flyers.

The new editions of sets 1–4 have been thoroughly updated by Cambridge ESOL to reflect the 2007 test changes while Cambridge Young Learners English Tests 5 consists of 100% new material.

Each set contains three full-colour tests, an Audio Cassette/CD, and an Answer Booklet.

Making Progress to First Certificate

A pre-FCE course

Leo Jones

INTERMEDIATE

The gap between intermediate level English and the Cambridge First Certificate examination can be a challenge to bridge. This book provides that vital language boost, as well as a gentle introduction to FCE exam-type tasks. Written for teenagers, the book covers the essential FCE exam skills at a lower level than an FCE preparation course.

Key features

- 25 short topic-based units keep students motivated and create a sense of progress.
- An introduction to skills students will need in the exam at an appropriate language level.
- Grammar reference section at the back of the book and thorough grammar practice.
- An abundance of exercises and puzzles introducing and practising new vocabulary.

Objective IELTS

An IELTS preparation course in two levels

Annette Capel, Wendy Sharp and Michael Black
INTERMEDIATE TO ADVANCED

INTERMEDIATE BAND 5.0 – 6.0
ADVANCED BAND 6.0 – 7.0

(60 – 80 hours / 2 levels)

Objective IELTS is a two-level IELTS preparation course providing comprehensive training for both the Academic and the General Training modules. The course is uniquely informed by the Cambridge Learner Corpus, using analysis of mistakes made in real IELTS candidate papers, and the Cambridge Corpus of Academic English for guidance on appropriate academic style.

The two levels of *Objective IELTS* can be used on their own or consecutively, so that lower-level students requiring a high band score can start preparing early.

You'll like *Objective IELTS* because ...

Teachers can ...

- target areas most relevant to IELTS candidates with vocabulary and grammar practice in every unit and a separate 'Grammar folder'.
- maintain students' interest and give them a sense of meaningful progress through the variety of topics covered in the 20 units.

Students can ...

- get thorough guidance and practice of every aspect of the test in the regular 'Test folders' and 'Writing folders'.
- see how much they have achieved and where they need to improve in the regular Revision sections.
- get all the practice they need. The **Workbook** offers additional 'Writing workout' sections, along with a complete IELTS Reading module and extra reading, writing, vocabulary and grammar practice.

CD-ROM

A comprehensive CD-ROM is FREE with the Student's Book for each level. Each CD-ROM provides up to 20 hours' extra IELTS skills practice covering listening practice activities with tapescripts, reading texts with comprehension activities, speaking and writing training exercises, in addition to extra practice of grammar, vocabulary and pronunciation.

The CD-ROM does not include the audio recordings for listening tasks in the Students' Book.

The CD-ROM means students can ...

- improve their pronunciation with an interactive phonemic chart and voice recording function.
- correct their own mistakes with the two-stage checking process for each question.
- see how many exercises they have completed and check their scores in the 'My progress' section.
- look up meanings of words and check pronunciation with the 'Word list'.
- check grammar rules in the 'Grammar folder'. Both this and the 'Word list' can be personalised with students' own notes.

New Insight into IELTS

Vanessa Jakeman and Clare McDowell
UPPER-INTERMEDIATE TO ADVANCED

The bestselling *Insight into IELTS* has been thoroughly updated and now includes a wealth of fresh new material, and a new look! *New Insight into IELTS* offers comprehensive preparation and practice for IELTS. By exploring the test paper by paper, and looking in detail at the task types candidates will meet, the course gradually builds up the skills, language and test techniques students need to approach IELTS with confidence. The course contains a detailed introduction to the test and a full answer key and is equally suitable for use in the classroom or at home.

The material is intended for use with students whose current level is around Band 6 and is suitable for both Academic and General Training candidates.

You'll like *New Insight into IELTS* because ...

Teachers can ...

- choose which part of the exam to focus on. The course is organised by paper meaning teachers can target areas their students need to work on.
- give students the most genuine exam practice available with an authentic IELTS practice test from Cambridge ESOL.

Students can ...

- get systematic test preparation and practice through the regular test type exercises.
- use the exam overview on each IELTS paper and the test tips on each task type to prepare for the different parts of the exam.
- use the **Workbook** to identify common errors at IELTS and how to avoid them.

Step Up to IELTS

A short IELTS course

Vanessa Jakeman and Clare McDowell

INTERMEDIATE TO UPPER-INTERMEDIATE

Step up to IELTS covers essential exam skills and language for IELTS in approximately sixty hours' teaching time, and familiarises students quickly with the exam. The course covers both the Academic and the General Training modules.

Key features

- Provides students with exam tips and advice on how to maximise their band score in the exam.
- Builds exam skills gradually with shorter, achievable, exam-type tasks for practice and includes more challenging tasks at authentic test level.
- The pocket-sized Personal Study Book provides extra vocabulary, grammar, and writing practice based on the work covered in the Student's Book.
- Test practice sections at the end of each unit together constitute a whole sample IELTS test.

Action Plan for IELTS

A last-minute self-study plan

Vanessa Jakeman and Clare McDowell

INTERMEDIATE TO ADVANCED

Action Plan for IELTS is a short, self-study guide for students about to take the IELTS test. The book is organised by paper and examines each question type in detail. It gives students a last-minute action plan, providing examples, mini practice tasks and strategies to maximise their band score in the test.

Action Plan for IELTS is available for both the Academic and the General Training module. The Academic module is suitable for students around Band 6+ and the General Training module for students around Band 5+.

Key features

- Covers each part of each paper, providing examples of typical test items and content.
- Contains a full answer key, with recording scripts and sample answers, which is ideal for students studying alone.
- Stand-alone modules give students the flexibility to target their individual problem areas first.

GENERAL TRAINING WRITING TASK 1 Letter Giving Advice

1 Introduction
Match the points and discuss:
Which of these things would you recommend visitors to do in your town or region? Explain in more detail what the activities would consist of for a visitor.

- go sightseeing
- visit museums and art galleries
- go to good restaurants
- go to the sea coast
- enjoy the countryside or mountains
- do outdoor sports
- visit a theme park
- see animals in their natural habitat

2 Analysing the question
Read the following exam task and underline the key words and phrases. Then in pairs discuss the questions below. (You will not have to actually write the letter.)

An English-speaking friend wants to spend a two-week holiday in your region and has written asking for information and advice. Write a letter to your friend:

- offer to find somewhere to stay
- give advice about what to do
- give information about what clothes to bring.

Begin your letter as follows: 'Dear ...' / 'You should write at least 150 words.'

3 Sample letter
Read the following sample letter. Write one word or phrase from the box in each space. You can use the same word or phrase more than once. You needn't use them all.

although / and / because / but / if / once / so / so that / that / unless / when / which / who

Dear Brian,
The delight I feel you are coming to Valencia next month. I think it would be great if you join me and my family. I you have been with us. Otherwise, if you prefer, you can to our beautiful hotel near the beach. I you can be more independent. There are lots of things to do in my city. If I were you, I'd spend more days in the town visiting in our shops and restaurants in the city. There are several interesting museums and art galleries I'm sure you will enjoy. One of the things you really should do is an excursion to the coast called the Dunes of San Juan. You you'll want to spend the night there. Also, you might like to go to our beautiful theme park. It is about an hour away by train. You don't need to bring a lot of clothes because it is normally warm and sunny all the time of year. In the evening it's a bit cooler. I'd getting ready in plenty and a jacket. Please let me know exactly you're coming. I'd I can meet you at the airport. It's the great bit for me you again so we can get up-to-date with all the news. Love, Mark.
