

Cambridge Discovery Readers

The new readers series for teenagers

Series Editor: Nick Tims

STARTER TO ADVANCED

“The benefit of extensive reading is no secret. And what’s more, with the right book, reading is a pleasure. The Cambridge Discovery Readers is a new teenage series that provides that ‘right book’ for every teenage learner.”

Nick Tims, Cambridge Discovery Readers Series Editor

Inspire your students to discover the pleasure of reading with this new seven-level series of original fiction, adapted fiction and factbooks.

- A range of teen-focused topics and exciting storylines captures students’ interest and stimulates their imagination.
- Original illustrations and integrated comprehension activities help students check their understanding and encourage independent learning.
- The interactive CD-ROM for every title includes extra activities that allow students to practise new words and develop their vocabulary.
- Complete audio recordings for each title improve students’ listening and speaking skills.
- British and American versions for each title expose learners to different varieties of English.

Cambridge English Readers

Award-winning original fiction for learners of English

Series Editor: Philip Prowse

STARTER TO ADVANCED

“What distinguishes this series from the others is the zest and freshness of the text.”

David R. Hill, *ELT Journal*

Key features:

- Seven levels from Starter to Advanced provide reading material for every student's ability.
- A wide selection of titles, from thriller to romance, with international settings appeal to a broad range of interests.
- Contemporary themes, gripping plots and believable characters inspire learners and stimulate classroom discussion.
- Audio CD recordings for every title improve listening and speaking skills.
- eBook and audiobook formats make every Reader instantly accessible.

Free online resources for students and teachers

- Online placement test guides students to the most suitable level.
- Photocopiable worksheets provide ready-made activities for classroom use and self-study.
- Teacher's guide gives practical advice on how to use the graded readers.
- Sample chapters, lesson plans and audio clips for every title.
- Articles, competitions, author interviews and much more.
