

Series 1 – No.4 Enough

Worksheet

Part 1 Today's word

Enough /ɪ'naʃ/

Part 2 Examples

- 1 Is the water hot enough yet?
- 2 I don't think he's really experienced enough for this sort of job.
- 3 She told me it was brand new and I was stupid enough to believe her.
- 4 Would you be good enough to take my bag upstairs for me?

Part 3 Practice

A Slowly, with three stresses in two speech units, use falling tones starting on the first syllable of 'STUpid', and the second syllable of 'beLIEVE':

// I was STUpid enough //to beLIEVE her //

B A bit faster, with three stresses, but with only one falling tone starting on the second syllable of 'beLIEVE':

// I was STUpid enough to beLIEVE her //

C Faster again, with two stresses at different speeds. Make the words in capital letters loud and clear, and all the other words soft:

C1 // i was STUpid enough to beLIEVE her // 120

C2 // i was STUpid enough to beLIEVE her // 200

C3 // i was STUpid enough to beLIEVE her // 300

D Look at the table below. Add two sentences of your own in rows 4 and 5. In pairs, say the sentences to each other. As you listen to your partner, make sure that 'i was' and 'pid enough to be' are soft and unclear, and that 'STU', 'LIEVE', 'FOL' and 'GET' are loud and clear.

1	i was	STU	pid enough to be	LIEVE	her
2	i was	STU	pid enough to	FOI	low him
3	i was	STU	pid enough to for	GET	it
4					
5					

➤ **HINT:** leave early/arrive late/lose it

Part 4 Pairwork

1 Now we will add a reply to these sentences. In pairs, take turns saying A and B's parts.

A // i was STUpid enough to beLIEVE her //

B // OH // it's NOT YOUR fault//

2 Now make similar replies to the other sentences in the table, and practice them in pairs.

A // i was STUpid enough to FOLlow him //

B // OH // it's NOT YOUR fault //

A // i was STUpid enough to foRGET it //

B // OH //it's NOT YOUR fault //

A // i was STUpid enough to //

B // OH // it's NOT YOUR fault //

A // i was STUpid enough to //

B // OH // it's NOT YOUR fault //
