About Cambridge University Press

Cambridge University Press is the publishing and printing house of the University of Cambridge. It is an integral part of the University and has similar charitable objectives in advancing knowledge, education, learning and research. For centuries the Press has extended the research and teaching activities of the University by making available worldwide through its printing and publishing a remarkable range of academic and educational books, journals, examination papers and Bibles. For millions of people around the globe, the publications of the Press represent their only real link with the University of Cambridge.
