

SCRAMBLED DIALOG

Aim: Familiarize Ss with an audio script before they listen to it.

Preparation: Make one copy of the worksheet for every two Ss.

Cut the copies into strips and put them in envelopes. Have available the audio program for the Conversation on page 75.

Comment: Use before or after the Conversation on page 75. Use the audio program for the Conversation.

- Ss work in pairs. Give each pair an envelope with the strips.
- Set the scene and explain the task. Two friends are talking about Mexico City. Ss arrange the strips to form the conversation. Ask: “What is the first sentence?” (Answer: *Can you tell me a little about Mexico City?*)
- Ss complete the task in pairs.
- Play the audio program. Ss listen and check the order of their conversations.
- **Option:** After they listen to the audio program, Ss practice the conversation using information about a different city.

SCRAMBLED DIALOG

Can you tell me a little about Mexico City?

OK. Anything else?

Oh, you should definitely visit the Palace of Fine Arts. It's really beautiful.

Well, I'm going to be there next month, but for only two days. What should I see?

Great! And is there anything I can do for free?

Sure. What would you like to know?

Sure. You can walk in the parks, go to outdoor markets, or just watch people.
It's a fascinating city!

You shouldn't miss the Museum of Modern Art. It has some amazing paintings.
