

Submission Checklist

In Brief

Submission checklist (in brief)

This document is a guide to what you will need to submit to us once your typescript is ready. **Please note, production cannot start until these items are finalised.**

If you'd like more guidance on each item, please refer to the detailed submission checklist.

Asterisked items only apply to some projects – please clarify with your Content Manager if you are uncertain about what to provide.

For authors writing in Word:

	Done?
Word file of your final typescript	
**Image/figure files
