"... one of the most important journals of history in the world."
—*Small Press*

THE JOURNAL OF INTERDISCIPLINARY HISTORY

Edited by Robert I. Rotberg and Theodore K. Rabb

"*JIH* has faithfully maintained its tradition of innovation... exploring the relation between history and the social sciences. In this area it has acquired a considerable reputation, which it continues to deserve."
—*The Times Literary Supplement*

This distinguished scholarly publication incorporates the concepts and quantitative methods of the new history, bringing the best of economics, sociology, political science, archaeology, and demography into historical research.

Four times a year *JIH* brings you original articles and reviews that explore a variety of topics without limit to geographical area or chronological order. Select recent and forthcoming articles:

Meeting Needs and Suppressing Desires: Consumer Choice Models and Historical Data Anne McCants

Russian Social History: A New Lease on Life? Don K. Rowney

The Political Foundations of Modern Economic Growth: England, 1540-1800 Gregory Clark
