Notes for contributors

Manuscripts
The Editor welcomes the submission of materials for consider-
ation as a main article or a review article. The approximate length required for main articles is 10,000 to 15,000 words, including notes. The Japanese Journal of Political Science is a refereed journal, and contributors should allow time for the process of refereeing to take place.

Manuscripts (MS-Word file) should be submitted electroni-
cally to the JIPS Editorial Office: jipseditorial@cambridge.org

An abstract (no more than 250 words) together with a brief author profile (150 words or less) should accompany the submission. The author’s name and affiliation must not appear on the main body of your manuscript, but only on a separate cover sheet. The desired location of tables and figures is to be indicated in the text, but all tables and figures are to be placed on separate sheets at the end of the article, following the notes and references. Tables and figures can be submitted in a separate file.

When an article has been accepted for publication after the process of review and revise, the author should submit a final version of the article in a Word file (MS-Word 2003 or later) to the editorial office of the Japanese Journal of Political Science as an e-mail attachment. All submissions must be typed in an unformatted Word document (no style is to be applied).

References and Notes
These are to be placed at the end of the submission, on separate sheets, and should be indexed serially within the article by superscript numbers. References should give full biographical details, including place of publication and the publisher, at first mention. Thereafter, the author’s name and a short title should be used: op. cit. is not acceptable. A cross-reference to the original citation (e.g., see n. 6 above) may also be added should the short title reference not be immediately clear. The title of articles should appear in single inverted commas, and the title of a book or journal should be in italics. Article and book titles in roman script are to be written as in the original. References and notes should be in the following form:

2. Ibid, p. 231.
4. For permission to photocopy, contact the Copyright Clearance Center (CCC) at 1800 Titletown Drive, Danvers, MA 01923, USA.

Subheadings
Contributors are encouraged to include up to two levels of subheading in articles to provide signposts for readers. These should be typed flush left, with only the first word and proper names written with an initial capital letter.

General
First proofs may be read and corrected by contributors provided that they can give the editor a current address and guarantee to return the corrected proofs, by e-mail where appropriate, within three days of receiving them.

The journal is registered with the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923, USA. Organisations in the USA who are also registered with the CCC may therefore copy material beyond the limits permitted by sections 107 and 108 of the US copyright law subject to payment to CCC of the per-copy fee of $12.00.
