British Journal of Nutrition

An International Journal of Nutritional Science

Volume 132, 2024 ISSN: 0007-1145

Aims and Scope

The British Journal of Nutrition is an international, peer-reviewed journal publishing original papers, review articles, short communications and technical notes on human and clinical nutrition, animal nutrition and basic science as applied to nutrition. Correspondence is encouraged in a Nutrition Discussion Forum. The Journal recognizes the multidisciplinary nature of nutritional science and encourages the submission of material from all of the specialities involved in research and clinical practice. The Journal also publishes supplements on topics of particular interest.

The British Journal of Nutrition is published twice monthly by Cambridge University Press on behalf of

The Nutrition Society.

The British Journal of Nutrition is available online to subscribers at journals.cambridge.org/bjn

Tables of contents and abstracts are available free at the same website.

Editor-in-Chief

J Mathers, Newcastle University Population Health Sciences Institute, UK

- **Deputy Editors**
- É Doucet, University of Ottawa, Canada R Elango, University of British Columbia, Canada K Erickson, University of California: Davis, USA W Hall, King's College London, UK J Phillip Karl, US Army Research Institute of Environmental Medicine, USA Y Liu, University of California Davis, USA G Maskarinec, University of Hawaii, USA B Meyer, University of Wollongong, Australia K Murakami, University of Tokyo, Japan K Pentieva, University of Ulster, Northern Ireland M Plourde, University of Sherbrooke, Canada P Sharp, King's College London, UK J L Soengas Fernández, University of Vigo, Spain Mark Vickers, University of Auckland, New Zealand N Wade, University of Edinburgh The Roslin Institute, UK G Williamson, Monash University, Australia **Reviews Editors** F Bravi, Inst. of Pharmacological Research, Mario Negri, Italy

The Nutrition Society has as its objective the advancement of the scientific study of nutrition and its applications to the maintenance of human and animal health.

Application of membership is invited from anyone whose work has contributed to the scientific knowledge of nutrition, whether such work has been in the laboratory, the field or the clinic, and whether experimental, clinical, agricultural or statistical in nature. There is also a student membership scheme with reduced subscriptions.

Particulars of The Nutrition Society and application forms for membership are available from The Nutrition Society, 10 Cambridge Court, 210 Shepherds Bush Road, London W6 7NJ, UK. Tel: +44 (0)20 7602 0228, Fax: +44 (0)20 7602 1756, Email: office@nutsoc.org.uk
