

Studies Review

Religious

A publication like *Religious Studies Review* has been needed for a long time in our field. We now have in the *Review* a thoroughly responsible organ dedicated to reviewing the critical books in the field of religion and related disciplines—it is high time and many of us are very, very grateful for it.

Sally McFague, Dean, Vanderbilt Divinity School

Religious Studies Review is a sign of maturity in the discipline, and a guide to the wealth of resources now available. Its scholarly approach and critical stance provide perspective in an area tempted to live beyond its means.

*Joseph C. McLelland, Dean, Faculty of Religious Studies
McGill University*

Religious Studies Review dramatically documents the extent to which American scholarship in religion has come of age after having achieved corporate self-consciousness only so recently. In the Review Essays each issue of *RSR* bristles with material relevant for anyone concerned with religious studies in its wider scope, while the Notes on Recent Publications, organized according to topic areas, provide prompt contact with the stream of books and monographs that continue to emerge from presses throughout the world. The listing of recently completed Dissertations in Religion is an added bonus.

*Robert A. Kraft, Chairperson, Department of Religious Studies
University of Pennsylvania*

I have become an enthusiastic, regular reader of *Religious Studies Review*. It keeps me abreast of scholarly developments and current literature in my own and in other fields in a helpful, readable way.

*Robert T. Handy, Academic Dean and Professor of Church History
Union Seminary, New York, and Adjunct Professor of Religion
Columbia University*

NEW THEOLOGY FROM NOTRE DAME

APOLOGETICS AND THE ECLIPSE OF MYSTERY:

Mystagogy According to Karl Rahner

James J. Bacik

Here is a study which interprets and applies the thought of the German theologian Karl Rahner, who appropriates the classical liturgical term "mystagogy" to the initiating of people into a sensy of mystery as the preparation for the reception of Christian doctrine. \$15.00 cloth

MYTH, SYMBOL, AND REALITY

Alan M. Olson, ed.

Do myths and symbols have anything at all to tell us about reality? The essayists in this volume deploy all the critical tools available in the task of taking myth and symbol seriously. \$14.95 cloth

THE SEARCHING MIND: An Introduction to a Philosophy of God

Joseph F. Donceel, S.J.

This book is written for the one who believes. Yet in explaining why the believer is right in holding belief to be reasonable, Donceel's book will also help others discover new ways of examining the question of God's existence, essence, and relation to the world. \$15.95 cloth; \$5.95 paper

THE FIVE WAYS: St. Thomas Aquinas' Proofs of God's Existence

Anthony Kenny

The author examines, one by one, the Five Ways of St. Thomas Aquinas of demonstrating God's existence as found in the *Summa Theologiae*. The Five Ways are based on motion, efficient causation, the possible and the necessary, the gradation found in things, and finality. \$4.95 paper
