CORRIGENDUM

On the taphonomy of the late Maastrichtian (Late Cretaceous) marine turtle Allopleuron hofmanni – CORRIGENDUM

R. Janssen, R.R. Van Baal & A.S. Schulp

DOI: https://doi.org/10.1017/S0016774600001104 Published online: 24 March 2014

In the above mentioned article (Janssen et al., 2011) the caption of Figure 1 was not complete and missed a reference citation.

The corrected caption and the figure are below

Fig. 1. ‘Exploded view’ of the skeleton of Allopleuron hofmanni with colour-coded abundances, corrected for the relative number of bone elements in the animal’s skeleton. Carapace and plastron reconstructions by Mulder (2003, pls 28, 34); adapted.

The author apologises for these errors.
