

ANNOUNCEMENT

FINANCIAL MANAGEMENT ASSOCIATION
SEVENTH ANNUAL MEETING
CALL FOR 1977 PROGRAM

The Financial Management Association brings together practicing financial managers from industry, financial institutions, non-profit and governmental organizations, and members of the academic community with interests in financial and investment decision making. The seventh annual program, being planned for October 13-15, 1977, at the Washington Plaza Hotel in Seattle, Washington, will stress the interrelationships between theory and practice in financial and investment management. Proposals to participate in the form of completed papers or two-page (maximum) abstracts may be solicited for the 1977 meeting. All papers and abstracts should be received no later than February 28, 1977. Both members and non-members are invited to respond to the Vice President - Program, George E. Pinches, School of Business, University of Missouri-Columbia, Columbia, Missouri 65201 (314-882-3575).
