

*Erratum:*

Waugh, Nancy C. and Smith, J. E. Keith. A stochastic model for free recall. Vol. 27, June 1962, 141–154.

The legend for Fig. 1 (page 144) should read as follows.

Directed Graph of the Hypothetical Learning Process

The states are defined as follows:

- (1) not labeled (not yet recalled),
- (2) labeled, not selected (not yet recalled),
- (3) selected, not fixed (recalled),
- (4) not selected, not fixed (forgotten),
- (5) fixed (recalled).
