Chief Executive to Chief Justice
Taft betwixt the White House and Supreme Court
Lewis L. Gould

“Lew Gould has long been an indispensable guide to the presidency, particularly during the McKinley, Theodore Roosevelt, Taft and Wilson eras. In this engaging and engrossing book, Gould tells the story of how Taft satisfied his deepest ambition and became chief justice of the United States.”
—Laura Kalman, Professor of History, University of California, Santa Barbara

“No one knows more than Lew Gould about the modern American presidency. With remarkable clarity and insight, Gould shows how ex-presidents, even when not holding high political office, can, and have, made important contributions to the nation’s history. A ‘must read.’”—Burton L. Kaufman, author of The Post-Presidency from Washington to Clinton

The Historical Journal continues to publish papers on all aspects of British, European, and world history since the fifteenth century. The best contemporary scholarship is represented. Contributions come from all parts of the world. The journal aims to publish some thirty-five articles and communications each year and to review recent historical literature, mainly in the form of bibliographical reviews and review articles. The journal provides a forum for younger scholars making a distinguished debut as well as publishing the work of historians of established reputation.

Historical Journal is available online at:
