Arrangements have been made through the courtesy of the Council of the Royal Aeronautical Society for the meetings to be held this year in the Library of that Society at No 4 Hamilton Place London, W 1. The full day discussion on November 20th is an exception to this. It will be held in the Lecture Hall of the Institution of Civil Engineers Great George Street, S W 1 (by permission of the Council of the Institution), and members should note that it will be essential to produce their membership cards for admission to this meeting
