Course on
MODERN CONCEPTS IN HEAD AND NECK SURGERY

Course Director—**PROFESSOR D. F. N. HARRISON**

20 AND 21 JULY 1983

THE prime object of the course will be the discussion of controversial aspects of important topics utilizing the considerable experience of the faculty. Topics will include the role of conservative surgery for laryngeal and pharyngeal neoplasms, surgery of the skull base and salivary gland malignancies.

The faculty will include:

Professor Douglas P. Bryce, Mr. A. D. Cheesman, Professor D. F. N. Harrison, Mr. A. G. D. Maran, Dr. Hugh Millar, Professor William Panje, Mr. Bruce Pearson, Dr. George Sisson, Dr. Emanuel M. Skolnik, Mr. Omar Shaheen, Mr. Henry Shaw, Professor P. M. Stell, Professor Paul H. Ward.

Registration fee (including coffee, lunch, tea, Cocktail Party on 19 July and Dinner on 20 July), £75.

Accommodation at £10 per night will be available at University of London Halls of Residence for those requiring it.

Applications to the Dean's Secretary, Institute of Laryngology and Otology, 330/332 Gray's Inn Road, London WC1X 8EE.

THE UNIVERSITY OF BIRMINGHAM
 FACULTY OF MEDICINE AND DENTISTRY
 BOARD OF GRADUATE CLINICAL STUDIES
 ADVANCED NASAL SURGERY COURSE

A one-week course on the above subject will be held from Sunday, 18 to Friday, 23 September 1983, at the Birmingham and Midland Ear, Nose and Throat Hospital, Edmund Street, Birmingham B3 2HH. The course will largely be devoted to the surgery of the nasal septum and the external pyramid. There will be an international panel of guest lecturers. The course will be quite comprehensive and will include lectures, televised operative demonstrations, films and opportunities for cadaver dissection.

The University will give assistance in obtaining suitable hotel accommodation and, in addition, a limited amount of accommodation will be available in one of the University Halls of Residence at an additional cost, for dinner, bed and breakfast.

Enrolment on the course is limited to 30 and early application is advised.

Course fee: £200.00.

Enquiries and applications should be addressed to: Mrs. Victoria Gilbert, Administrative Assistant, Board of Graduate Clinical Studies, The Medical School, Birmingham B15 2TJ, and accompanied by the course fee. Cheques should be made payable to the 'University of Birmingham'. Please indicate on your application if you wish accommodation in a Hall of Residence or in an hotel.

TEMPORAL BONE SURGERY COURSES

6-14 JUNE 1983
10-18 JUNE 1983

COURSE TUTOR:

Mr. D. Bagger-Sjöbäck

FACULTY:

Mr. T. R. Bull
Mr. A. D. Cheesman
Professor L. Michaels
Dr. P. Phelps
Mr. N. Shah

PARTICIPANTS on these courses will do dissections and practise surgery of the ear upon wet temporal bones. There will be lectures covering the basic aspects as well as the surgical techniques in ear surgery. Video-taped surgical demonstrations will be given covering the standard procedures in current middle-ear surgery.

The number of students on each course is limited to eight.

Course Fee: £130 (including morning coffee, lunch and tea).

Applications to The Dean's Secretary, The Institute of Laryngology and Otology, 330/332 Gray's Inn Road, London WC1X 8EE.

ADVANCE NOTICE

THREE-DAY CONFERENCE

'The Use of CO₂ Lasers in ENT'

26, 27 AND 28 SEPTEMBER 1983

THE course aims to provide an overview of current and future surgical procedures employing CO₂ lasers. Directed at Surgeons and Doctors with experience or general interest, the course can be attended on a residential or daily basis.

Day 1 Head and Mouth.

Day 2 Neck and Chest.

Day 3 HPD Therapy, YAG laser and invited free papers.

Speakers from America, Europe and United Kingdom.

To be held at Post House Hotel, Thornaby, Cleveland.

TEMPORAL BONE SURGICAL DISSECTION COURSES

OFFERED BY

THE DEPARTMENT OF OTORHINOLARYNGOLOGY

THE UNIVERSITY OF MICHIGAN MEDICAL SCHOOL, ANN ARBOR, MICHIGAN

MALCOLM D. GRAHAM, M.D.—COURSE DIRECTOR

9-13 MAY 1983	12-16 SEPTEMBER 1983
13-17 JUNE 1983	26-30 SEPTEMBER 1983
20-24 JUNE 1983	31 OCTOBER-4 NOVEMBER 1983
14-18 NOVEMBER 1983	

INTENSIVE one-week courses emphasize the surgical and anatomical approaches to the temporal bone, and are presented in a manner relevant for the otologic surgeon, utilizing lectures, videotapes, and dissection.

Mornings and afternoons are spent in the dissection laboratory, giving extensive drilling experience in temporal bone anatomy and surgical techniques. All instruments and high-speed handpieces will be provided.

Course fee is \$1,000.00.
