The Moral Economists
R. H. Tawney, Karl Polanyi, E. P. Thompson, and the Critique of Capitalism
Tim Rogan

“The Moral Economists provides an original and provocative interpretation of the political thought of R. H. Tawney, Karl Polanyi, and E. P. Thompson. Rogan gives a close and illuminating reading of key texts by these authors, uncovers forgotten intellectual connections that link them together, and reveals a distinctive lineage of social criticism that deserves to be widely discussed. . . . A highly impressive, thought-provoking, and timely work.”
—Ben Jackson, University of Oxford
