JOURNAL OF FINANCIAL AND QUANTITATIVE ANALYSIS

A Joint Publication of
Western Finance Association and
the Graduate School of Business Administration,
University of Washington

Managing Editor: Stephen H. Archer

(Copyright 1968 by the Graduate School of Business Administration,
University of Washington)

The *Journal of Financial and Quantitative Analysis* is published quarterly (March, June, September, and December) by the Graduate School of Business Administration, University of Washington, Seattle, Washington 98105.

The views and opinions expressed are those of the authors and do not necessarily reflect those of the Graduate School of Business Administration of the University or of the Western Finance Association.

Membership in the Western Finance Association is available at \$5.00 per year and includes the *Journal* subscription. Applications and information concerning membership should be addressed to Virginia McKemie-Belt, Western Finance Association, California State College at Long Beach, Long Beach, California 90804. Make checks payable to the Western Finance Association.

Subscriptions for individual nonmembers are \$5.00 per year; for firms or libraries the rate is \$6.00 per year. Single copies are \$2.00. Make checks payable to *Journal of Financial and Quantitative Analysis*, Lillian Ashworth, Editorial Associate, 105 Mackenzie Hall, University of Washington, Seattle, Washington 98105. Manuscripts and editorial correspondence should be sent to the Managing Editor. Correspondence concerning advertising and book reviews should be sent to the Assistant Managing Editor, *Journal of Financial and Quantitative Analysis*, Graduate School of Business Administration, University of Washington, Seattle, Washington 98105.

IMPORTANT:

Renewal Notice for Western Finance Association

Membership renewal fees for most members of Western Finance Association are past due. These dues, which include *Journal* subscriptions for one year, are:

Institutional	\$50.00
Active	\$5.00
Student rate	\$3.50

Application form for use by all new and renewing members is found in the back of this *Journal*.

September 1968 Issue

Current plans call for including papers concerned with the "random walk" hypothesis.

The editor would be pleased to hear from anyone working in this area.

Stephen H. Archer
