# THEATRE JOURNAL

Editor: Janelle Reinelt, *California State University—Sacramento*  
Co-editor: John Rouse, *Tulane University* and

For over four decades, *Theatre Journal's* broad array of scholarly articles and reviews have earned it an international reputation as one of the most authoritative and useful publications of theatre studies available today. Drawing contributions from noted practitioners and scholars, *Theatre Journal* features social and historical studies, production reviews, and theoretical inquiries that analyze dramatic texts and production. Published four times a year in March, May, October, and December in cooperation with the Association for Theatre in Higher Education.

**Early Modern Reenactments (Vol. 46, No. 2) includes:**  
Economic and Ideological Exchange in Marlowe's *Jew of Malta* • Breaking the Illusion of Being: Shakespeare and the Performance of Self • "The Mouth of 'hem All.": Ben Jonson, Authorship, and the Performing Object • Woman and other Metaphors in Cervante's *Comedia famosa de la entretenida* • Acting Black: *Othello*, *Othello* Burlesques, and the Performance of Blackness • Doctoral Projects in Progress in Theatre Arts, 1994.

## **Ideas and Forms of Tragedy from Aristotle to the Middle Ages**

HENRY ANSGAR KELLY

'Tragedy' has been understood in a great variety of conflicting ways over the centuries, and the term has been applied to a wide range of literary works. In this book, H. A. Kelly explores the various meanings given to tragedy, from Aristotle, via Roman ideas and practices, to the middle ages.

*Cambridge Studies in Medieval Literature 18*

## **German and Dutch Theatre, 1600–1848**

Edited by GEORGE BRANDT and WIEBE HOGENDOORN

This book makes available for the first time an over-view of a significant segment of European theatre history. Most of the documents presented have not before been published in English.

£75.00 net HB 0 521 23383 6 584 pp.  
*Theatre in Europe: A Documentary History*

## **Theatre and State in France: 1760–1905**

F. W. J. HEMMINGS

In this illuminating study, F. W. J. Hemmings traces the vicissitudes of the perennial conflict between theatre and state, which began with the rise of the small independent boulevard theatres in the 1760s and eventually petered out in 1905 with the abandonment of censorship. This work complements F. W. J. Hemmings' earlier book *The Theatre Industry in Nineteenth-Century France*.

£37.50 net HB 0 521 45088 8 299 pp.

## **Theatre and Fashion**

Oscar Wilde to the Suffragettes

JOEL H. KAPLAN and SHEILA STOWELL

Examining such diverse topics as the emergence of the society playhouse, fashion journalism, the role of the couturier-costumier, department store marketing, and the establishment of 'dress codes' by militant suffragettes, Kaplan and Stowell provide a new context for assessing plays by established writers like Oscar Wilde, Bernard Shaw, Arthur Pinero and Harley Granville Barker.

**Marginal Sights**Staging the Chinese in  
America

JAMES S. MOY

Since the beginning of the Western tradition in drama, dominant cultures have theatrically represented marginal or foreign racial groups as other— not completely human, uncivilized, quaint, exotic, comic. Playwrights and audiences alike have been fascinated with racial difference, and this fascination has depended upon a process of fetishization. By the time Asians appeared in the United States, the framework for their constructed Lotus Blossom and Charlie Chan stereotypes had preceded them. In *Marginal Sights*, James Moy dismantles these stereotypes in an unrelenting attack on Anglo-American institutions of racial representation.

168 pp., 32 photographs, 6 drawings, £28.50 hb, £11.95 pb

**Modern Hamlets and  
Their Soliloquies**

MARY Z. MAHER

The Shakespearean soliloquy has always fascinated scholars, readers, and theatregoers, and none is more famous than those found in *Hamlet*. Now, for the first time, Maher's *Modern Hamlets and Their Soliloquies* takes a performance point of view in examining the challenges and problems of delivering the soliloquies in *Hamlet*.

258pp, 11 photographs, £31.95 hb

**Wandering Stars**Russian Emigré  
Theatre, 1905-1940LAURENCE SENELICK,  
EDITOR

From the beginning of this century, wars, pogroms, revolution, and economic hardship have impelled Russian cultural figures to seek their fortunes abroad—and theatre people have been no exception. This movement was a windfall for Western Europe and North America, for often the most talented and exciting actors and directors put down roots in foreign lands. *Wandering Stars* is the first book in any language to look closely at this theatrical emigration.

263pp, 18 photographs, £37.95 hb

**Melodramatic  
Formations**American Theatre and  
Society, 1820-1870

BRUCE A. McCONACHIE

"McConachie is penetrating and thought-provoking. His achievement is to show the world of nineteenth-century theatre and these melodramas as fascinatingly complex events expressing constantly changing social stresses. The melodramas contradictorily fuse antithetical values as they attempt to negotiate ideals for a society often at philosophical, economic, and psychological cross-purposes."

—*Studies in Popular Culture*

334pp, 2 photographs, 11 drawings, £40.50 hb, £15.95 pb

**The Performance  
of Power**Theatrical Discourse  
and PoliticsSUE-ELLEN CASE AND  
JANELLE REINELT, EDS.

"The neglected but growing and important political content of theater theory and art is analyzed in these essays. This volume is overdue for the fact of ideology and the struggle for power in today's theater, though not widely known, is the preoccupation of contemporary theater analysis. Therefore these essays, well and lucidly written by established theater scholars, are essential for updating and advancing contemporary theories. . . . Each essay is well documented."—*Choice*
