

CALENDAR OF MEETINGS AND COURSES

Following is a list of microscopy-related meetings and courses. The editors would greatly appreciate input to this list via the electronic submission form found in the MSA World Wide Web page at <http://www.msa.microscopy.com/>. We will gladly add hypertext links to the notice on the Web and insert a listing of the meeting in the next issue of the Journal. Send comments and questions to JoAn Hudson, hjoan@clemsun.edu or Nestor Zaluzec, zaluzec@aaem.amc.anl.gov. Please furnish the following minimum information (any additional information provided will be edited as required and printed on a space-available basis):

- Meeting name
- Meeting dates
- Meeting topic or short description
- Meeting sponsor (society/organization/university)
- Contact person
- Full postal address
- Telephone number
- Fax number
- E-mail address
- URL to a World Wide Web information page if available

Meetings and Courses in 2001

Workshop on Quantitative Image Analysis

Raleigh, North Carolina, USA, October 30–November 11, 2001

Sponsor: North Carolina State University
