Why wait until the next conference when you can join or start a discussion with colleagues right now?

Through the IPA Member Forums, you can discuss important research and care issues such as International Psychogeriatrics articles, share resources or exchange ideas on whatever has captured your interest with your colleagues in this new IPA online community.

As a member of the International Psychogeriatric Association (IPA), you will have access to the IPA Member Forums and be able to join member colleagues to discuss and improve elderly care through online groups ... anytime from wherever you or they might be.

Communication and Collaboration – the Heart of the IPA Community

- Interact *anytime* and *anywhere* with IPA colleagues
- Share research, documents and ideas
- Participate in discussions
- Collaborate in member groups, such as...

**Shared Interest Forums**
Connecting Members with Shared Interests in Specific Areas
- BPSD
- Capacity
- Young Onset Dementia
- Long Term Care
- And more...

**Professional Discipline Forums**
Connecting Members with Similar Roles
- Nurses
- Occupational Therapists
- Primary Care Physicians
- Psychologists
- Social Workers
- And more...

**Regional Initiative Forums**
Connecting Members in Different Areas of the World
- Africa
- Asia/Pacific
- Eastern Europe
- Ibero-Latin America
- And more...

IPA Member Forums: where members start their day!
