# NUTRITION RESEARCH REVIEWS

Volume: 29

Number: 1

June 2016

Available online at www.journals.cambridge.org

### **Nutrition Research Reviews**

Volume 29, 2016 ISSN: 0954-4224

### Aims and Scope

*Nutrition Research Reviews* publishes comprehensive and challenging review articles on selected key topics in nutritional science. Authors are encouraged to take a critical approach in appraising the literature while also aiming to advance new concepts and hypotheses. The journal publishes both solicited and unsolicited articles.

Nutrition Research Reviews is published twice a year by Cambridge University Press on behalf of The Nutrition Society.

The contents page of this journal is available on the Internet before publication at www.cambridge.org/nrr

### **Editor-in-Chief**

J V Woodside, Belfast, UK

### **Deputy Editor**

Jos Houdijk, Scottish Agricultural College, UK

### **Editorial Board**

M Ashwell, Baldock, UK E Bandera, New Brunswick, USA J L Black, Warrimoo, Australia D Dardevet, Theix, France C Edwards, Glasgow, UK C Haskell-Ramsey, Newcastle, UK J M Hibbert, Atlanta, GA, USA T Hill, Newcastle-upon-Tyne, UK J K Lodge, Newcastle-upon-Tyne, UK C Lowis, Norwich, UK H C Lukaski, Grand Forks, ND, USA S Rutherfurd, Palmerston North, NZ N W Solomons, Guatemala City, Guatemala W Stonehouse, Adelaide, Australia C M Weaver, West Lafayette, IN, USA K M Younger, Dublin, Ireland

The Nutrition Society has as its objective the advancement of the scientific study of nutrition and its applications to the maintenance of human and animal health.

Application of membership is invited from anyone whose work has contributed to the scientific knowledge of nutrition, whether such work has been in the laboratory, the field or the clinic, and whether experimental, clinical, agricultural or statistical in nature. There is also a student membership scheme with reduced subscriptions.

Particulars of The Nutrition Society and application forms for membership are available from The Nutrition Society, 10 Cambridge Court, 210 Shepherds Bush Road, London W6 7NJ, UK.
