Aims and Scope
The Journal of Radiotherapy in Practice is a peer-reviewed journal covering all of the current modalities specific to clinical oncology and radiotherapy. The Journal aims to publish quality research from a wide range of styles and encourage debate and the exchange of information and opinion from within the field of radiotherapy practice and clinical oncology. The Journal also aims to encourage technical evaluations and case studies as well as equipment reviews that will be of interest to an international radiotherapy market.

The Journal of Radiotherapy in Practice aims to provide an easily available forum for education matters by publishing regular high-standard Continuing Professional Development articles.

Abstracting/Indexing
The Journal of Radiotherapy in Practice is indexed and abstracted in EMBASE/Excerpta Medica.
