The annual subscription is \$50 for Institutions and \$16 in 1971 for Ordinary Members. Junior Members (undergraduate and junior graduate students) may ask to have their subscription reduced to \$6 in 1971 p.a. Members of other mathematical societies with which the Australian Mathematical Society has entered into reciprocity agreements are admitted to membership and its privileges at half the current rates, if they are not normally resident in Australia.

Members of the Society receive copies of the JOURNAL free, and may subscribe to the BULLETIN at the price of \$4 per volume. From 1970 on, Members may elect to receive the BULLETIN instead of the JOURNAL.
