

# CONTENTS

	PAGE
ALSTON, A. M. The effects of limestone, N, K and Mg fertilizers on Mg absorption by oats and barley. (With Five Text-figures) . . . . .	1
SYMINGTON, R. B. and OLIVER, J. Observations on the reproductive activity of tropical sheep in relation to the photoperiod. (With Two Text-figures) . . . . .	7
GREENHALGH, J. F. D., REID, G. W., AITKEN, J. N. and FLORENCE, E. The effects of grazing intensity on herbage consumption and animal production. I. Short-term effects in strip-grazed dairy cows. (With Two Text-figures) . . . . .	13
DONEY, J. M. Breed differences in response of wool growth to annual nutritional and climatic cycles. (With Four Text-figures) . . . . .	25
DOGGETT, H. and JOWETT, D. Yields of maize, sorghum varieties and sorghum hybrids in the East African Lowlands. (With Three Text-figures) . . . . .	31
LARGE, R. V. and SPEDDING, C. R. W. The health and performance of the grazing animal in relation to fertilizer nitrogen usage. II. Weaned lambs. (With Six Text-figures) . . . . .	41
BRAUDE, R. and ROWELL, J. G. Comparison of meal and pellets for growing pigs fed either in troughs or off the floor . . . . .	53
WILLIAMS, V. J. and CHRISTIAN, K. R. Rumen fermentation of fresh herbage. (With Three Text-figures) . . . . .	59
BLAXTER, K. L., CLAPPERTON, J. L. and WAINMAN, F. W. Utilization of the energy and protein of the same diet by cattle of different ages. (With Four Text-figures) . . . . .	67
ASHTON, W. M. and YOUSEF, I. M. A study of the composition of Clun Forest ewe's milk. II. Mineral constituents . . . . .	77
GRIFFITH, G. ap and WALTERS, R. J. K. The sodium and potassium content of some grass genera, species and varieties . . . . .	81
COKER, E. G. The value of liquid digested sewage sludge. I. The effect of liquid sewage sludge on growth and composition of grass-clover swards in South-east England . . . . .	91
COKER, E. G. The value of liquid digested sewage sludge. II. Experiments on rye-grass in South-east England, comparing sludge with fertilizers supplying equivalent nitrogen, phosphorus, potassium and water . . . . .	99
COKER, E. G. The value of liquid digested sewage sludge. III. The results of an experiment on barley . . . . .	105
AUCKLAND, A. K. Soyabeans in Tanzania. I. The exploitation of hybridization for the improvement of soyabeans. (With Three Text-figures) . . . . .	109
WIDDOWSON, F. V., PENNY, A. and WILLIAMS, R. J. B. An experiment measuring effects of N, P and K fertilizers on yield and N, P and K contents of grazed grass. (With One Text-figure) . . . . .	121
SABA, N., BURNS, K. N., CUNNINGHAM, N. F., NANCY HEBERT, C. and PATTERSON, D. S. P. Some biochemical and hormonal aspects of experimental ovine pregnancy toxæmia . . . . .	129
DAVIES, ALISON. The regrowth of swards of S24 perennial rye-grass subjected to different pre-treatments. (With One plate and Three Text-figures) . . . . .	139

SUBSCRIPTIONS. Two volumes of three parts (each about 150 pages long) are published annually. The subscription price is 75s. net (U.S.A. \$13.50) per volume (post free); single parts are available at 32s. 6d. net (U.S.A. \$5.50) plus postage. Orders or enquiries may be sent to any bookseller or subscription agent, or to Cambridge University Press, Bentley House, 200 Euston Road, London, N.W. 1, (U.S.A. and Canada, Cambridge University Press American Branch, 32 East 57th Street, New York, N.Y. 10022, U.S.A.)
