

ERRATUM

Origin and evolution of the Italian subterranean termite *Reticulitermes lucifugus* (Blattodea, Termitoidae, Rhinotermitidae) – ERRATUM

A. Luchetti, V. Scicchitano and B. Mantovani

doi: 10.1017/S0007485313000400, Published by Cambridge University Press, 24 July 2013.

The publisher apologises for the error in [Table 1](#), on page 3 of this article. For number 29, Castiglion della Pescaia, the entry in the 'Haplotype' column should be: h1. The corrected Table is given below.

Table 1. List of the complete *R. lucifugus* sequence dataset here considered, with all pertinent information. Numbers refer to map position in fig. 1.

Taxon		Sampling locality	Haplotype	Reference/GenBank accession numbers
<i>R. lucifugus corsicus</i>	1	Luri	h1	Lefebvre <i>et al.</i> (2008)
	2 ¹	Saint-Florent	h1	A.N. KC576861
