MEDICAL ETHICS TODAY ITS PRACTICE AND PHILOSOPHY

The BMA has been publishing advice on ethical issues for over forty years. This book is its most comprehensive attempt to answer the wide range of questions commonly raised and relates the long accepted standards which have governed professional behaviour to newly emerging situations. The approach is patient-centred and the aim has been to produce a working tool for doctors whilst recognising that debate of ethical issues extends far beyond the medical profession.

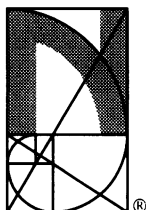

Topics covered include: Consent and Refusal; Confidentiality and Medical Records; Disclosure; Children and Young People; Reproduction and Genetic Technology; Caring for the Dying; Treatment and Prescribing; Research; Inter-Professional Relations; Rationing and Allocation of Health Care Resources.

ISBN 0 7279 0817 0 374 pages 1993

UK £12.95; Overseas £15.95 (BMA members £11.95; £14.95)
