The JOURNAL OF FINANCIAL AND QUANTITATIVE ANALYSIS is published in March, June, September, December, and January, by the Graduate School of Business Administration of the University of Washington in conjunction with the Western Finance Association. The December issue is a special issue devoted to one topic of interest to the JFQA's readership. The January issue contains selected papers, discussants' comments, and Proceedings of the Western Finance Association meetings.

Application to mail at second-class postage rate is pending in Seattle, Washington.

The views and opinions expressed are those of the authors and do not necessarily reflect those of the Graduate School of Business Administration of the University of Washington or of the Western Finance Association.

For individuals, the annual subscription rate to the JFQA is \$7.00; for firms or libraries, the annual rate is \$10.00. Single copies are \$2.50, except the special issues, the price of which is \$3.00. Manuscripts and editorial correspondence should be sent to the Managing Editor. Advertising inquiries and books for review should be addressed to the Associate Managing Editor.

Membership in the Western Finance Association is available at \$7.00 per year and includes the JOURNAL subscription. Applications and information concerning membership should be addressed to Virginia McKemie-Belt, Western Finance Association, California State College at Long Beach, Long Beach, California 90804. Make checks payable to the Western Finance Association.
