EDITOR'S NOTE

In the last eighteen months there has been an increase in the number both of high quality papers needing publication in the *Antiquaries Journal* and of books sent for review. In order to ensure that the maximum number of papers can be published without a delay of up to two years, it has been decided to publish the reviews as a supplement to volume 75.

The Ballot exhibits for November 1994 will be published with the Ballot exhibits for November 1995 in volume 76 of *Antiquaries Journal*.
