CAEP Member Benefits

- Networking
  Connect with colleagues and potential mentors at educational events and through online discussions
- Nominate and be nominated for awards
- FREE access to CJEM
- Special rates on medical & dental insurance
- Support
  the development of the specialty of emergency medicine through research and advocacy
- Discounts on tickets to select NHL teams
- Broadway Show Discounts
  Discounted ticket prices with Broadway Across Canada and Mirvish Productions
- Reduced CPD registration fees
- Special Travel Rates
  Receive discounts through Marlin Travel and Flight Centre
- Special rates on home & auto insurance
- Exclusive Travel Rates
  Receive discounts through Marlin Travel and Flight Centre

The emergency department is literally the front door for the sickest and most severely injured in Canada. To treat patients with the utmost attention and with the latest techniques, EM physicians need access to the very best knowledge and standards of practice. This is only achieved through research.

CAEP funds junior investigators and EM seed projects. We established our research funding program in 1996, and over the past 20 years have assisted over 100 researchers. Since the inception of our grant program, we have provided over $498,000 in funding to EM researchers. Typically, five grants of up to $5,000 each are awarded annually. Though modest, our grants play a vital role in EM research.

Due to the success of our membership fundraising campaign, we expanded the 2015/16 competition to include two grants of up to $10,000 each. We have also secured a partnership to provide matched funds over the next five years for an additional grant.

This is not enough. Funding for EM research in Canada is limited, particularly for physician-scientists early in their research careers. The demand for research funding currently exceeds our capacity. Over the past four years (2012-15), CAEP received 126 applications for grant research projects. Forty-five (45) qualified for funding but only 22 were funded. We are looking to double our EM grant program with your support.

Donate now at www.TheEMAF.org.

CAEP is a registered charity (#118829357RR0001).

All donations are fully tax creditable.

We will always respect your wish for privacy, so please let us know if you prefer your gift to remain anonymous.
CAEP CPD

AIME

Whether you work in a large, high volume centre or a small remote setting, AIME will provide a practical approach for airway management in emergencies.

June 3, 2016 – Québec City, QC
June 4, 2016 – Québec City, QC
Sept. 21 2016 – Whistler, BC
Sept. 22, 2016 – Whistler, BC
Nov. 2016 (date TBD) – Vancouver, BC

AIME UPDATE

What’s new, what’s in, what’s out!

While this program is not a substitute for the hands-on experience of AIME, it is relevant to any clinician who may be responsible for airway management in emergencies regardless of experience.

Oct. 31 2016 – Toronto, ON (13:00 - 17:00)
Dec. 11 2016 – Montreal, QC (8:00 - 12:00)

EDTU

Designed to provide physicians with a strong foundation in emergency ultrasound. This 2 day course facilitates the completion of most (if not all) of the required 50 supervised scans in each of the four areas (aorta, cardiac, abdomen, and pelvis).

June 17 & 18, 2016 – Ottawa, ON (SOLD OUT)
November 5 & 6, 2016 – Toronto, ON
December 8 & 9, 2016 – Montreal, QC

CME in the SUN

CME in the SUN is headed to a special surprise location next year!

CME in the SUN 2017 will feature the debut of EMR ACT III.

EMR ACT III Topics include:
- Airway
- Pain Management
- Adult Resuscitation
- Pediatric Resuscitation
- Sore Throat
- Jaundice
- Wrist and Forearm
- Humerus and Elbow
- Sexual Assault
- Rabies
- Hallucinogens
- Plus many more

10 hours of pre-course videos.
12 hours in classroom.

Registration Opens June 1st!

TOX

Overdoses and poisonings are sometimes familiar and sometimes frightening, and are a small but important part of the practice of emergency medicine. Toxicology will focus on the interesting world of poisons, their nature, effects and antidotes.

Contact us to bring this exciting CPD offering to your Emergency Physicians!
