Philosophy
Books and Journals from Cambridge University Press

Cambridge is widely regarded as one of the world's premier publishers of philosophical research, having one of the most recognisable and distinguished books lists as well as a growing collection of leading journals.

Our list brings a range of high-quality books by distinguished authors to readers at both student and specialist level.

All periods and sub-areas of philosophy are covered, and the list is particularly strong in history of philosophy.

The Royal Institute of Philosophy

*Think* is published on behalf of the Royal Institute of Philosophy, which was founded in 1925. The Institute welcomes as members any who are interested in philosophy. There are branches of the Institute in many regional centres, details of which are on the Institute's website www.royalinstitutephilosophy.org

This journal issue has been printed on FSC-certified paper and cover board. FSC is an independent, non-governmental, not-for-profit organization established to promote the responsible management of the world’s forests. Please see www.fsc.org for information.
