Best Paper in Chinese Theory of Management Award

The ‘theory of Chinese management’ approach (adapting imported theories for the Chinese context) and the ‘Chinese theory of management’ approach (developing original theories for the Chinese context) are both necessary and valuable. To promote original theorizing to account for management phenomena that are particularly salient or unique in China, Peking University Press (PUP) has set up the PUP-MOR Best Paper in Chinese Theory of Management Award. The award aims to recognize the best paper published in MOR that addresses new research questions, identifies new concepts, and/or develop new theories from the ‘Chinese theory of management’ perspective. The Awards Committee identifies three finalists among the papers published in MOR over the previous two years and which are deemed as exemplary of the spirit of this award. Congratulations to the winning authors and all finalists!

2014 PUP-MOR Award Winner
Inaugural Hermann and Marianne Straniak Stiftung – MOR Best Paper Award

The aspiration of the Hermann and Marianne Straniak Stiftung – MOR Best Paper Award is to advance original indigenous, high impact, management scholarship in business and economic philosophy in the context of ‘East informs West’.

Please join us in congratulating the authors of the winning paper for 2016!
