Modern Approaches to ENT

Invitation to Attend
Dear Colleagues, as Convenor of the ASOHNS 65th Annual Scientific Meeting, I cordially invite you to attend this meeting from 29 March to 1 April 2014 in Brisbane at the world-class Brisbane Convention and Exhibition Centre, Southbank.

The theme of this year’s meeting is Modern Approaches to ENT and we have invited four international speakers confirmed.

Satellite Workshops will include a paediatric airway course, sinus course, implantable hearing aid course and an indigenous ear health meeting.

I look forward to welcoming you all to Queensland in 2014.

Roger Grigg, ASOHNS 2014 ASM Convenor

INTERNATIONAL KEYNOTE SPEAKERS

BENJAMIN EJ HARITY MBBS, MD, FRCS (ORL-HNS)
Consultant paediatric otolaryngologist at Great Ormond Street Hospital and Honorary Senior lecturer at University College London. He is known for his experience in the field of paediatric otolaryngology and is a regular contributor to the British Journal of Oral and Maxillofacial Surgery. He is also the author of the book "British Top Surgeons" in 2011.

JEAN-PIERRE JEANNON MChir, FRCS (ORL-HNS), FRCSEd (O.R.L)
Consultant ENT Head and Neck Surgeon at Guy’s and St Thomas’ NHS Trust, King’s College Hospital from 2007. He is known for his experience in head and neck surgery and has worked extensively in the field of otolaryngology.

BRADLEY W KESSER MD, FACS
Assistant Professor at University of Virginia. He is known for his work in the field of head and neck surgery, particularly in the treatment of head and neck cancers.

MICHAEL G STEWART MD, FRCS (ORL-HNS)
Professor and Chairman of the Department of Otolaryngology-Head and Neck Surgery at the Mayo Clinic in Rochester, Minnesota. He is known for his work in the field of head and neck surgery and has published extensively in this area.

Avant announces long-term partnership with Ear Science Institute Australia

Avant has committed to a 5 year partnership to fund world-class education and training with the Ear Science Institute Australia.

The Auditory Centre for Ear, Nose & Throat Education & Research is a state-of-the-art facility providing training in the diagnosis and treatment of the head and neck to over 2,000 professionals a year, across a broad range of health disciplines.

It’s an investment we believe is well worth making, and another way that we support Otolaryngology.

Over 50% of Australian Otolaryngologists choose Avant as their MDO

More doctors have chosen Avant for our claims experience and specialty-specific insights, and the clear choice for Otolaryngologists who expect quality medical indemnity covers, support and risk advice.

Cover is subject to the terms, conditions and exclusions of the policy. Please read and consider the PDS and policy wording which is available at avant.org.au or by phoning us on 1300 120 288.
