Religious Studies

Books and Journals from Cambridge University Press

Cambridge has been publishing in the field of religious studies since 1584, making our programme one of the oldest and most prestigious in the world.

We publish books and journals on a wide range of religions and topics, from church history and theology, to biblical studies and religious ethics.

Our publications represent the highest level of academic research from renowned authors. Series for students, including Cambridge Companions to Religion and Introductions to Religion, remain enduringly popular.
