Utilitas

Editorial Policy

Utilitas is a pioneering interdisciplinary journal of moral and political philosophy, economic theory, jurisprudence and intellectual history. It welcomes articles, discussions, debates, and reviews on contemporary themes in those disciplines in which utilitarianism has made a particular contribution and on all aspects of the development of utilitarian thought (including that of its opponents).

The Journal is supported by the International Society for Utilitarian Studies, which sponsors major conferences, seminars, and other meetings, and makes special offers on books at advantageous rates to members. Individual subscribers to the journal automatically become members of the Society.

Other features of Utilitas include special issues or parts of issues on particular themes and individuals.

International Society for Utilitarian Studies

Subscription to Utilitas includes membership of the International Society for Utilitarian Studies. The Society, administered from the Bentham Project at University College London, sponsors major conferences, seminars, and other meetings. It aims to provide a forum for scholarly debate and research in the history of utilitarian thought, and its present-day relevance in the fields of ethics, politics, law, economics, and public policy. Members are entitled to a discount on the fees for the Society’s conferences and to discounts on volumes in the new authoritative edition of The Collected Works of Jeremy Bentham.

For further details visit the ISUS web site at www.isus.org.

Utilitas

Subscriptions

Utilitas (ISSN 0953-8208) is published four times a year in March, June, September and December. Four parts form a volume. The 2017 subscription price (excluding VAT) of a volume, which includes print and electronic access, is £267 (US $511 in USA, Canada and Mexico). The electronic-only price available to institutional subscribers is £246 (US $471 in USA, Canada and Mexico). Submission Guidelines

Submitted papers must not be under consideration by any other journal. Any form of annotation and referencing may be used for the original submission, but accepted papers must be revised to conform to Utilitas house style. A copy of the style sheet is available from the Editor on request.

Authors are responsible for observing the laws of copyright when quoting or reproducing material, and for any reproduction fees involved. Authors submitting a paper do so on the understanding that, if accepted for publication, exclusive copyright in the paper shall be assigned to the publishers. In consideration for assignment of copyright, the publisher will supply the author with a pdf of their article. Notwithstanding the assignment of copyright in their contribution, all contributors retain certain non-transferable rights, provided appropriate acknowledgement is made to Utilitas as the original place of publication. You will receive the Assigment of Copyright form for signature on acceptance of your paper.

All submissions, including book reviews, must be made through the Manuscript Central site: http://mc.manuscriptcentral.com/uti
