Author Contributions:

C. R.: coordinated and conducted the study, undertook all FMD measurements, performed data analysis and wrote the manuscript; H. D.: coordinated and conducted the study; C. S.: designed and coordinated the study and wrote the manuscript; L. H.: designed the study; R. L. B.: conducted study drinks analysis; M. B., Y. H., V. A., M. A. N.: conducted plasma flavanone analysis; G. C.: conducted NO species measurements and analysis; J. A. L. and K. G. J.: co-investigated the study and was involved in experimental design; J. P. E. S.: principal investigator, involved in the experimental design and writing of the manuscript. All authors reviewed the manuscript. C. S. works as a Senior Scientist at PepsiCo Inc., L. H. works as a Senior Director at Global R&D Nutrition at PepsiCo Inc., R. L. B., M. B., Y. H. work as Principle Scientists at PepsiCo Inc., V. A., M. A. N., works as a Scientist at PepsiCo Inc., The other authors declare no conflicts of interest.
