PURPOSE AND FOCUS
The Journal of Financial and Quantitative Analysis (JFQA) publishes theoretical and empirical research in financial economics. Topics include corporate finance, investments, capital and security markets, and quantitative methods of particular relevance to financial researchers. Opinions expressed in the JFQA are those of the authors and do not necessarily reflect those of the University of Washington Foster School of Business. For submissions queries, please write, call, fax, or e-mail the JFQA office. For all other information related to the journal, please contact Cambridge Journals Customer Services: Cambridge University Press, One Liberty Plaza, 20th Floor, New York, NY 10006, USA. cambridge.org/jfqa

SUBMISSIONS
It is JFQA policy to give prompt attention to all submitted manuscripts. Consistent with this policy, honoraria are paid to referees who provide timely reviews. Submit manuscripts online (www.editorialmanager.com/jfqa). Payment is required at the time of submission. VISA, MasterCard, and American Express are accepted. Please consult the journal Web site for current submission details. Manuscripts are considered for publication on the understanding that they have not been previously published in whole or in part, and are not being simultaneously considered for publication elsewhere.

VOTE FOR THE SHARPE BEST PAPER AWARD!

The William F. Sharpe Award for Scholarship in Financial Research recognizes researchers who, through their articles published in the Journal of Financial and Quantitative Analysis, have most contributed to our understanding of important areas of financial economics. The Sharpe Award nominees are chosen by a vote of JFQA readers and Associate Editors from the papers published in 2017. Winners are selected by the Associate Editors. Access the official ballot at

www.jfqa.org

Deadline: April 30, 2018
