CDC Publishes Revised Draft Guidelines for Preventing Transmission of Tuberculosis

The Centers for Disease Control and Prevention (CDC) has released the long-awaited "Draft Guidelines for Preventing the Transmission of Tuberculosis in Health-Care Facilities, Second Edition" (**Federal Register**, 58: 195, part 2; 58 FR 52810, Tuesday, October 12, 1993).

Interested parties may file written comments on the draft docu-

ment on or before December 13, 1993. Comments on the draft guidelines should be in writing and addressed to the Centers for Disease Control and Prevention, Attention: Guidelines Work Group, Mailstop E07, 1600 Clifton Rd. NE., Atlanta, GA 30333. To facilitate review, you should categorize your comments as follows: (1) Risk Assessment, (2) Administrative

Controls, (3) Engineering Controls, (4) Respiratory Protection, (5) Education and Training, (6) HCW Counseling, Screening, and Evaluation, (7) Cost and Feasibility of Implementation, and (8) Other. For further information, contact Carmine Bozzi at (404) 639-8027.
