A. C. Videler, G. Rossi, M. Schoevaars, C.M. van der Feltz-Cornelis and S. P. J. van Alphen

In the recent publication (Videler et al., 2014), the name of one of the authors was stated incorrectly. Instead of C. van der Feltz, it should read C.M. van der Feltz-Cornelis, both in the title and in the description of authors’ roles.

This error has now been rectified in the original article.
