CORRIGENDUM

Numerical modelling of finite-amplitude electro-thermo-convection in a dielectric liquid layer subjected to both unipolar injection and temperature gradient – CORRIGENDUM

Ph. Traoré, A. T. Pérez, D. Koulova and H. Romat

doi:10.1017/S0022112010001709, Published by Cambridge University Press, 6 July 2010

In Traoré *et al.* (2010) the correct figure 9 with the corresponding caption should appear as follows.

FIGURE 9. V_{max} versus T at $Ra = 200$, $Pr = 40$.
