

NOTICE

It has been pointed out to us that results similar to those of Bartoszewicz (*Adv. Appl. Prob.* **17** (1985), 472–474) were published in the *Bulletin* of the Institute of Mathematical Statistics having been received on 25 October 1984. These were reported by Subhash C. Kochar in abstract 85t–14 which appeared in Volume 14 Number 1 Issue No 78, January 1985.

The derivation of these results can therefore be considered almost simultaneous. We felt it important to draw readers' attention to this.
