The copies of *The Journal of Mental Science* are regularly sent by Book post to the ordinary Members of the Association, and to our Home and Foreign Correspondents, and we shall be glad to be informed of any irregularity in their receipt.

The following *EXCHANGE JOURNALS* have been regularly received since our last publication:

The *Annales Medico-Psychologiques*; the *Zeitschrift für Psychiatrie*; the *Correspondenz Blatt der deutschen Gesellschaft für Psychiatrie*; *Archiv für Psychiatrie*; the *Irren Freund*; *Journal de Médecine Mentale*; *Archivio Italiano per le Malattie Nervose e per le Alienazioni Mentali*; *Medizinische Ahrenlese*; *Medizinische Jahrbücher*; *Zeitschrift der K. K. Gesellschaft der Aerzte in Wien*;

The Editors of the American Journal of Insanity.—Letter of the 17th November received. In accordance with your wish, the one exchange copy will in future be sent by Book-post, which is apparently the more convenient on both sides. Most of the back numbers of the 'Journal of Mental Science' can be purchased of Messrs. Churchill, whose property they chiefly are. We have asked them to communicate with you.

M. V. Ferrier, Paris.—Letter of the 13th December received. M. Dumesnil's vulgar diatribe indicates, as you justly observe, how much his vanity is hurt by our exposure of the manner in which in the asylums of the *Seine Inférieure* the old Restraint System is still rigorously carried out.
