PURPOSE AND FOCUS
The Journal of Financial and Quantitative Analysis (JFQA) publishes theoretical and empirical research in financial economics. Topics include corporate finance, investments, capital and security markets, and quantitative methods of particular relevance to financial researchers. Opinions expressed in the JFQA are those of the authors and do not necessarily reflect those of the University of Washington Michael G. Foster School of Business. For submissions queries, please write, call, fax, or e-mail the JFQA office. For all other information related to the journal, please contact Cambridge Journals Customer Services: Cambridge University Press, One Liberty Plaza, 20th Floor, New York, NY 10006, USA.

SUBMISSIONS
It is JFQA policy to give prompt attention to all submitted manuscripts. Consistent with this policy, honoraria are paid to referees who provide timely reviews. Submit manuscripts online (www.editorialmanager.com/jfqa). Payment is required at the time of submission. Please consult the journal website for current submission details. Manuscripts are considered for publication on the understanding that they have not been previously published in whole or in part, and are not being simultaneously considered for publication elsewhere.

SUBSCRIPTIONS
For individuals or institutions interested in a single journal subscription in 2022, please contact Cambridge Journals Customer Services. In the U.S., Canada, or Mexico, subscription fees are payable in U.S. dollars: journals_subscriptions@cambridge.org. Announcing the Winners of the JFQA 2021 William F. Sharpe Best Paper Award

The William F. Sharpe Award for Scholarship in Financial Research recognizes researchers who, through their articles published in the JFQA, have most contributed to our understanding of important areas of financial economics. Nominees for the Sharpe Award are chosen by a vote of JFQA Associate Editors; the winners, who receive a $5,000 cash prize, are selected by the Managing Editors.

The winners of the Sharpe Award for JFQA papers published in 2021 are

Jaewon Choi, University of Illinois Urbana-Champaign and Yonsei University
Dirk Hackbarth, Boston University, CEPR, and ECGI
Josef Zechner, Vienna University of Economics and Business and CEPR

“Granularity of Corporate Debt”

June 2021, Vol. 56, No. 4, pp. 1127–1162

Please join us in congratulating Professors Choi, Hackbarth, and Zechner on their accomplishment.
