

monsters, mystics, meaning

Sensible Ecstasy

Mysticism, Sexual Difference, and the Demands of History

AMY HOLLYWOOD

"Amy Hollywood is one of the most significant feminist theorists working in religious studies. Her conceptual acuity and erudition are phenomenal, and I read her not only with great pleasure, but with the sure expectation that I will be productively transformed by what she has to say. *Sensible Ecstasy* not only makes a major contribution to the study of mysticism, but constitutes a new kind of feminist intervention into the philosophy of the subject."—Judith Butler

Signifying God

Social Relation and Symbolic Act in the York Corpus Christi Plays

SARAH BECKWITH

"This remarkably impressive new book, with its revelatory account of the communitarian function of sacramental civic theater, establishes Sarah Beckwith's preeminence in her field. She dares to say what many have thought: that the Corpus Christi Plays are not 'theater' but sacrament and can be understood only as theology and experienced only as religious experience."—Derek Pearsall, Harvard University
Cloth \$35.00

For Fear of the Fire

Joan of Arc and the Limits of Subjectivity

FRANÇOISE MELTZER

"This extraordinary work is not merely a compelling recounting of a life, but a radically new and original reading of the deconstructed subject. Françoise Meltzer uses the story of Joan of Arc to show how postmodern critique conceals nostalgia for transcendence and an imagined unity of mind and body that can only be challenged by uncoupling the feminine from mystery."—Edith Wyschogrod, author of *An Ethics of Remembering*
Paper \$20.00

At Stake

Monsters and the Rhetoric of Fear in Public Culture

EDWARD INGEBRETSEN

"This is a brilliant and creative work. *At Stake* provides a creative lens for understanding contemporary American cultural obsessions with the monstrous. Looking at public figures as diverse as Jeffrey Dahmer, Susan Smith, Timothy McVeigh, Bill Clinton, and Matthew Shepard, Ingebretsen develops sympathetic bonds with the monstrous, often recapturing the humanity of those people demonized by the label while raising questions about our own monstrous natures."—Robert E. Goss, author of *Jesus Acted Up*
Cloth \$40.00

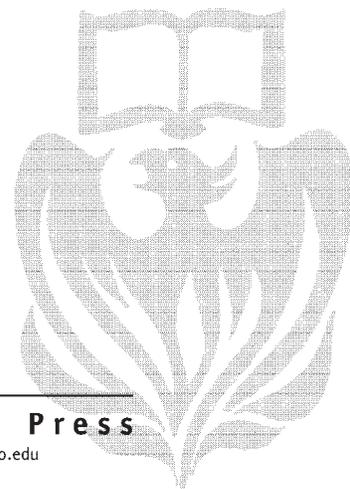

Demon Lovers

Witchcraft, Sex, and the Crisis of Belief

WALTER STEPHENS

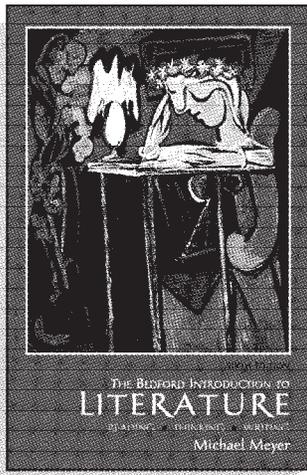

Far from being credulous fools or mindless misogynists, early writers on witchcraft emerge in Walter Stephens's detailed account as rational but reluctant skeptics, trying desperately to resolve contradictions in Christian thought on God, spirits, and sacraments that had bedeviled theologians for centuries. Proof of the physical existence of demons—for instance, through evidence of their intercourse with mortal witches—would provide strong evidence for the reality of the supernatural, the truth of the Bible, and the existence of God.

Expanding the world of literature

THE BEDFORD INTRODUCTION TO LITERATURE

READING ■ THINKING ■ WRITING

Michael Meyer

SIXTH EDITION

Available now!

2002/CLOTH/2300 PAGES

EXTENSIVE ANCILLARY PACKAGE

bedfordstmartins.com/meyer/bedintrolit

Also available in a compact version

With its rich array of selections, its innovative editorial features, its extensive writing coverage, and its new fully integrated companion Web site, the sixth edition of the most comprehensive three-genre anthology available provides more options than ever before to help students read, appreciate, and write effectively about literature.

- **Stories, poems, and plays that students will read and remember** are at the heart of a text that compels students to think critically and write about literature. The features that have made this book a best-seller are all here — integrated coverage of writing about literature, selected major authors covered in depth, sensible discussion of literary theory, Critical and Cultural Case Studies, and an extensive spiral-bound Instructor's Manual.
- **101 new poems, 21 new stories, and 5 new plays** in the sixth edition are supplemented by

new chapters on combining the elements of literature, new thematic case studies in fiction and poetry, new biographies of selected poets, new suggestions for longer papers and multimedia projects, and new sample papers in progress.

- **The Bedford Introduction to Literature becomes the first anthology to have a fully integrated companion Web site** with links in the book to a groundbreaking interactive poetry tutorial, online quizzes, guides for multimedia projects, and fully updated research links.

The companion Web site features

The VirtualLit Interactive Poetry Tutorial

Where constant interaction engages students in close reading.

LitLinks Online Research Links

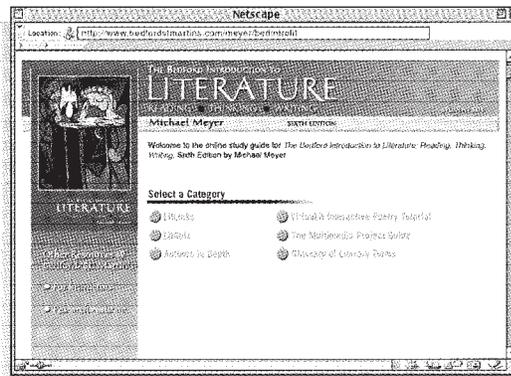

Where pre-selected links bring literature to life.

LitQuiz Online Quizzes

Where students test themselves on every story, play, and element of poetry.

Multimedia Project Guides

Where students get help finding and evaluating online materials for innovative projects.
