

Corrigendum

Epidemiologic validation of the National Healthcare Safety Network's updated *Clostridioides difficile* test method definition – CORRIGENDUM

Nicholas A. Turner , Barry Shelton, Becky A. Smith, Linda Crane, Polly Padgett, Linda Roach, Brittain Wood, Diana Alame and Deverick J. Anderson 

DOI: [10.1017/ice.2025.10222](https://doi.org/10.1017/ice.2025.10222); first published online by Cambridge University Press 14 July 2025

In the initial publication of this article¹, the “Financial support” section incorrectly included a grant number. The article has been updated to remove the grant number. The correct information is as follows:

Financial support. Research reported in this publication was supported by the Duke Clinical and Translational Science Institute (CTSI). The content is solely the responsibility of the authors and does not necessarily reflect the official view of Duke University or the Duke CTSI. Although not directly related to this grant, Nicholas A. Turner was also supported in part by an Antibacterial Resistance Leadership Group Fellowship [National Institute of Allergy and Infectious Diseases UM1AI104681].
