

## CORRIGENDUM: A. E. GREEN

## THE GLIDING OF A PLATE ON A STREAM OF FINITE DEPTH\*

Page 597. The line after equation (44) should read

$$A(u) = \frac{\sigma(u+2\nu)}{\sigma(u)\sigma(2\nu)} e^{-2\eta_1 \nu u / \omega_1} = -\frac{1}{2\omega_1} \frac{\wp_1'(0) \wp_1\left(\frac{u}{2\omega_1} - \frac{\beta}{\pi}\right)}{\wp_1\left(\frac{u}{2\omega_1}\right) \wp_1\left(\frac{\beta}{\pi}\right)}$$
