The British Journal of Nutrition is a leading international journal that publishes original research in the field of nutritional sciences. It covers a wide range of topics including human and clinical nutrition, animal nutrition, and basic science as applied to nutrition. The journal is highly regarded and is covered in Current Contents® and Journal Citation Reports®.

Editor-in-Chief
G.C. Broadie, University of Southampton, UK

Deputy Editors
J.B. Anderson, University of North Carolina, USA
A.L. Broadie, University of Paderborn, Germany
D. Hellmann, J. T. Ulvilaard, Sea of Azov University, USA
K. I. Jackson, University of Reading, UK
D. N. McHardy, Texas A&M University, USA
A. S. Madhusudan, University of East Anglia, UK
S. D. Pirie, University of Aberdeen, Scotland
W. A. Ross, Research Inst. Inst., Canada
E. H. Rott, Auckland University of Technology, New Zealand
A. M. Skidmore, Deakin University, Australia
B. Thompson, Quality Management, Denmark
D. Topping, CSIRO, Australia

Reviews and Board of Editors
R. Falingir, University of Surrey, UK
M. Baik, Seoul National University, South Korea
T. S. Bielak, University of Florida, USA
A. Doukas, University of Athens, Greece
M. Fantini, Université de Toulouse, France
S. Barron, University of Southampton, UK
L. M. Fediw, University of Saskatchewan, Canada
S. Hain, University of South Carolina, USA
M. Kontogianni, University of Thessaloniki, Greece
V. Kuzminova, University of Agriculture, Belgium
M. Portillo, Universidad Politécnica de Madrid, Spain
L. T. Ho, University of Queensland, Australia
A. Palou, Universitat de les Illes Balears, Spain
D. L. Zhong, China
