

CORRIGENDUM

Acceptance and commitment therapy (ACT) for post-stroke adjustment difficulties via telerehabilitation in a working-age man – CORRIGENDUM

Jinnie Ooi and Tom Steverson

DOI: 10.1017/S1754470X23000260 Published online by Cambridge University Press, 7 November 2023

In this article the author regrets that a box on ‘Unworkable Action vs Committed Action’ is missing on Page 6, Figure 1.

The old Figure 1 and caption are reproduced below:-

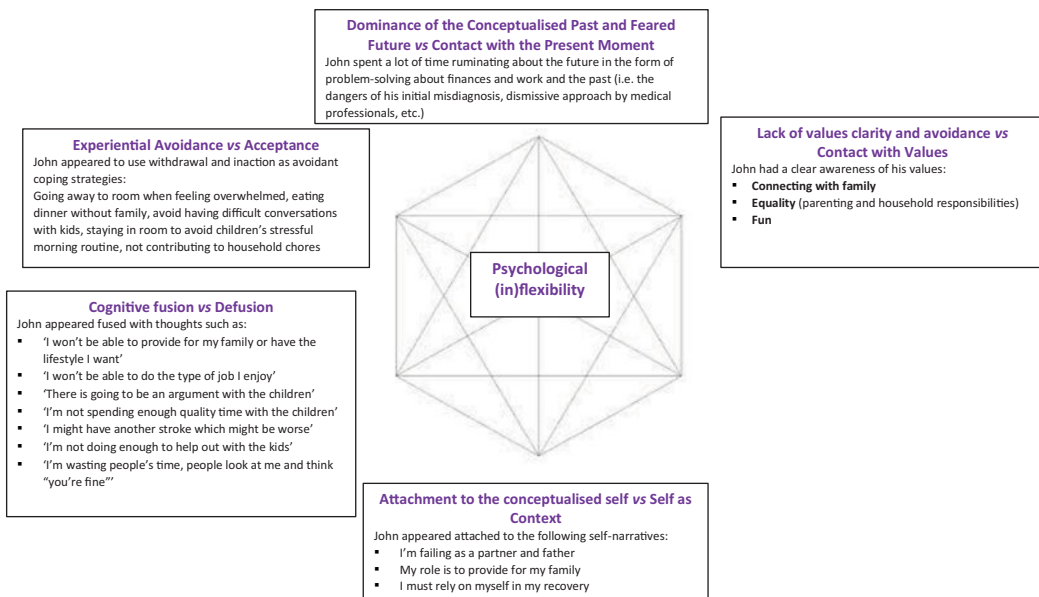

Figure 1. Formulation of John's difficulties at assessment based on the Hexaflex (Hayes *et al.*, 2006).

The new Figure 1 and caption are reproduced below:-

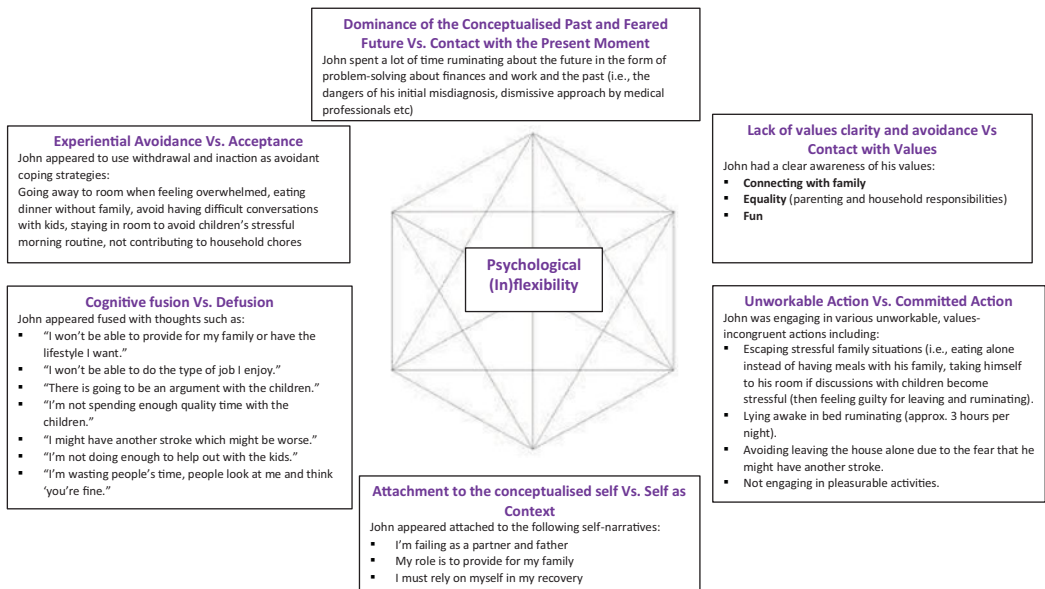

Figure 1. Formulation of John's Difficulties at Assessment based on the Hexaflex (Hayes *et al.*, 2006).

In this article the author regrets the errors listed below.

Under the 'Outcome' heading on Page 11, the first sentence should read To evaluate the outcome of the intervention, the Singlims_ES.exe programme (Crawford *et al.*, 2010) was used to compare John's scores (CORE-10, CompACT and VQ) with those of control samples.

A reference was missed from the References list on Page 17.
